INTRODUCTION

I am an entrepreneurial business leader with more than 20 years client and agency-side experience in the private and public sectors. I've always enjoyed working with digital technology to deliver lasting transformational change. I've done this in areas including marketing, e-commerce, culture, broadcasting, business systems, publishing, customer service and internal communications. I hold professional qualifications in public relations, marketing and change management, am a CIM Chartered Marketer and a CIPR Accredited Practitioner. I am also a Fellow at the Royal Society for the encouragement of Arts, Manufactures and Commerce.

CURRENT ROLES

Managing Director - Deeson Group Ltd - April 2016 onwards

- Leading 40 person digital transformation agency with bases in London and Canterbury.
- Full profit and loss responsibility - delivered 95% revenue growth in four years consistently exceeding industry benchmark net profit margins.
- Delivering complex digital transformation projects for clients including ITV, Barnardo's Robbie Williams, Johnson & Johnson, National Crime Agency, Royal Collection Trust, Imperial War Museums, The Scout Association and Shepherd Neame.
- Establishing effective multi-disciplinary agile software delivery teams. Developing and operationalising new services including digital transformation consultancy.
- Responsible for agency operations on a day-to-day basis, including new business, marketing, project delivery, recruitment client service, finance and operations.

Chief Operating Officer - GreenShoot Labs Ltd - October 2017 onwards

- Operational responsibility for start-up at product development company working with conversational interfaces, applied artificial intelligence and machine learning.

Co-founder - IntegrityVR - February 2018 onwards

- Seed funding stage start-up using virtual reality, statistical modelling, big data and artificial intelligence to transform the pharma drug discovery process.

Member, Business School Board - Canterbury Christ Church University - June 2015 onwards

- Non-executive advisory board position providing strategic guidance, scrutiny and private sector insight to business school senior leadership team.

Trustee, The Caldecott Foundation - September 2018 onwards

- Board trustee at charity providing specialist residential care, foster families, education and therapy to vulnerable and disadvantaged young people in the UK.

PREVIOUS ROLES

Director – Deeson Group Ltd – April 2014 to April 2016

- Leadership role in growing digital agency, including responsibility for marketing, change management and client services .

Head of Communications - Medway Council & East Sussex County Council - February 2013 to April 2014

- Led two communications teams comprising approximately 55 people across two geographically distant operating locations with responsibility for annual budgets of £2.4m.
- Implemented a new operating model for the East Sussex team, including skills development for team members to ensure successful implementation.
- Delivered strategic communications campaigns for external and internal audiences at the two councils, including frontline services reputation campaigns and change communications.

Head of Transformation Programme – Medway Council - January 2012 to February 2013

- Secondment with responsibility for leading the council's business change programme in addition to my existing responsibilities for communications and marketing.
- This programme radically reshaped the council's operating model and implemented major new CRM, document management and mobile working solutions.
- Led a large programme team of council staff and external consultants. The programme successfully delivered annual savings of £4.7m by February 2013.

Head of Communications and Marketing – Medway Council - November 2009 to February 2013

- Launched major national campaigns covering policy initiatives and inward investment/regeneration.
- Led media response to difficult and sensitive issues that the council has faced, including providing trusted counsel to the Chief Executive and political leadership, media liaison, preparation and training for interviewees and media handling.
- Developed and embedded an evidence-based strategic communications and marketing approach.
- Produced the council's digital engagement and website strategy, leading to the allocation of capital funding to the relaunch of the council's website.
- Led website relaunch project which took a user-centred approach to deliver cost effective channel shift. The council's digital engagement was recognised by SOCITM's Better Connected 2010, 2011 and 2012 reports as being an example of good practice. The council's website was rated in the top 10% of all council websites nationwide in 2012.

Director – Oystertown Ltd - December 2002 to February 2013

Oystertown Ltd was a small business I established in 2002 to provide digital marketing, communications and web services. As well as delivering projects personally I established a network of freelance contributors to service private and public sector clients.

Head of Marketing – Medway Council - November 2007 to November 2009

Marketing and PR Manager – Medway Council - August 2004 to November 2007

Led team of 25 responsible for the council's communications and marketing activities.

Account Director – Enterprise IG - January 2004 to August 2004 (short term contract)

Consultancy and managing senior client relationships with clients including BP, Vodafone, Nominet and SABMiller.

Marketing and Customer Experience Manager – Egg - December 2002 to January 2004

Strategic development and delivery of new marketing and communications propositions.

Channel Marketing Manager – Egg - May 2001 to November 2002

Developed and implemented integrated offline and online marketing communications programmes.

Graduate Marketing Trainee - The Boots Company PLC – September 1998 to March 2000
