INTRODUCTION

Experienced senior generalist leader of technology-centric growth businesses available for interim CEO and COO assignments. My 25 year career includes experience as a founder, MD, COO and non-exec board member of scale-up companies, including two successful exits. I have significant leadership experience of organic and acquisition-based growth in privately held and UK-listed companies up to £83m revenue and 700 employees.

CURRENTLY

Interim CEO / COO, consultancy and advisory work - January 2023 onwards

- Interim leadership creating sustainable, resilient and high performing technology growth businesses. Working with founders, leaders and investors. Member of [COO Roundtable network](#).
- Growth coach with [2Y3X®](#) acceleration programme.
- UK Partner for [BASE Scale Together Accelerator](#) for ESG-focussed businesses.
- Consultant with [Extra Brain Ltd](#) specialising in growth, operations and leadership.

PREVIOUS EXEC ROLES

Chief Operating Officer - TPXimpact plc (formerly The Panoply plc) - Sept 2020 to December 2022

- Senior leadership team member for UK listed technology services group.
- Scaled revenue from £31.5m in 2019/20 to £83m in 2022/23 and headcount from 361 to 700.
- Operational leadership for central shared services (people, operations and ESG teams).
- Extensive M&A including operational due diligence and integration.
- Leadership of cross-company projects and change initiatives, including organisational design, culture development, process improvement, commercial optimisation and leadership coaching.
- Facilitated successful leadership transition from founders to new incoming CEO and CFO.

Managing Director – Deeson Group Ltd – April 2014 to April 2020

- Led growth of 10 FTE digital transformation agency to 40FTE with bases in London & Kent.
- Full P&L responsibility delivering 95% revenue growth in four years delivering net profit consistently above 29%.
- Sold agency to AIM-listed The Panoply plc (now TPXimpact plc) in December 2018 and led the agency's integration within the group successfully achieving earnout targets ahead of plan.
- Successful new business track record with major new account wins over multiple years.
- Delivered complex digital transformation for clients including ITV, Barnardo's, Johnson & Johnson, National Crime Agency, Royal Collection Trust and Imperial War Museums.
- Implemented a new operating model with multi-disciplinary agile software delivery teams. Developed and operationalised new services including digital transformation consultancy.
- Responsibility for all agency operations, including new business, marketing, project delivery, recruitment client service, finance and operations.

Chief Growth Officer (secondment) – GreenShoot Labs Ltd (now OpenDialog.ai) – April 2020 to Sept 2020

- Led growth and product development for leading global conversational AI consultancy, selling into consumer brands, regulated industries, government, universities and media.

Co-founder and COO - GreenShoot Labs Ltd (now OpenDialog.ai) - October 2017 to February 2019

- Co-founded and launched conversational AI business, alongside my main role as MD at Deeson. Exited to AIM-listed The Panoply plc in Feb 2019.

CURRENT NON-EXEC ROLES

Vice-chair, Business School Board - Canterbury Christ Church University - June 2015 onwards

- Vice-chair of non-executive advisory board providing strategic guidance, scrutiny and private sector insight to university business school senior leadership team.

Trustee, The Caldecott Foundation - September 2018 onwards

- Board trustee at charity providing specialist residential care, foster families, education and therapy to vulnerable and disadvantaged young people in the UK. Vice-chair of finance and audit/risk committees.

Non-executive Director, National Support Network CIC - April 2022 onwards

- Launch board director for a certified Social Enterprise and not-for-profit Community Interest Company monetising access to the UK's largest directory of external support services.
